

WE ARE HIRING

The Village of Canton is currently recruiting Recreation Attendants to work in the Recreation Department. This position primarily works at the Canton Recreation Pavilion and Bend in the River Park as well as additional recreation facilities. Recreation Attendants:

- Maintain and prepare recreation facilities
- Enforce rules and regulations of facilities and programs
- Issue recreation equipment to the community
- Collect admission charges and other fees
- Supervise the use of recreation facilities

In the winter months, this position works primarily at the Canton Recreation Pavilion ice rink assisting with setup, execution and clean up for public ice sessions (open skating, open hockey, etc.) as well as providing support during contests and special events. The ability to skate is beneficial but not required.

Multiple positions available. This position has the potential to carry through to the summer by working directly with youth participants, planning youth activities, and providing customer service to the community.
